Submitted to His Highness.

These papers relate to

(1) the issue of revised rules for the preparation and publication of the electoral rolls of the Legislative Council and Representative Assembly,

(2) the lowering of the qualifications of the voters to the Legislative Council to the same level as that of the voters to the Representative Assembly,

(3) the modification of the rules regarding the qualifications of voters, making assessment and not the actual payment of the mohatarfa or other tax the basis for the inclusion of the name of any voter in the electoral rolls and

(4) the modification of the rules regarding the election of a Member to the Representative Assembly by the Legal Interests Constituency, reducing the period of time from 14 days to 7 days before the date of election, for sending voting papers to the electors.

2. In regard to (1), certain doubts having been expressed regarding the preparation and publication of electoral rolls both of the Legislative Council and the Representative Assembly, the revised rules now issued provide for the preparation of the rolls either in English or in Kannada but not in both the languages, and also for their publication in such manner as Government may direct. The rolls may or may not be published in the Gazette in the case of territorial constituencies. After discussion with the Deputy Commissioners, this arrangement has been agreed upon as being desirable both on grounds of economy and of convenience.

3. In regard to (2), a resolution was moved at the Representative Assembly during its Dasara Session of 1925 that the property qualifications of voters and candidates prescribed for the Legislative Council in the rural constituencies be reduced so as to make them correspond with those fixed for elections to the Representative Assembly

The resolution was passed unanimously and Government promised to consider the matter. The revised rules now issued are in accordance with the resolution with the reservation that the qualifications of the candidates who may stand for election remain unchanged.

File No III

4. As for (3) the modification of the rules is in accordance with the amendment of section 12 of the Municipal Regulation making assessment for the preceding year and not the payment the basis for qualification.

File No IV

5. As regards the reduction of 14 days to 7 days, such a reduction has already been ordered by Government in the case of all elections by postal voting. The Registrar of the Chief Court made a reference suggesting a modification of the rules regarding the election of a Member to the Representative Assembly by the Legal Interests Constituency, in accordance with the general orders of Government regulating all elections by postal voting. The modification suggested has been adopted.

6. On account of the urgency of the matter the necessary notifications and orders have been issued under the orders of the Dewan in anticipation of His Highness's gracious approval.

7. I submit the papers for His Highness's gracious perusal.

Order thereon:--

Doubts having been expressed ~~as to the manner~~ regarding the preparation and publication of Electoral Rolls of the Legislative Council and the Representative Assembly, the Government of His Highness the Maharaja of Mysore are pleased to direct that the rolls may be prepared either in English or Kannada, whichever is more convenient and that their publication need not necessarily be in the Gazette. In some cases, on the other hand, it ~~will~~ may be ~~necessary~~ desirable that the Electoral Rolls should be published in the Gazette as, for instance, in the case of the Legal Interests and the Mysore University.
